Business Management Engineering — Innovation and Business Technology

EXPERIENCE

August 2026 – Present

Professional Residency (Internship) — Continuous Improvement · ADPC Assistant

Nissan Congreso (Grupo del Rincón) · Culiacán, Sinaloa

- Documenting and standardizing the **Service Tablet** processes, a new implementation in the Service department.
- Building the process **operating manual**, structured in phases and aimed at raising the department's productivity against Nissan Mexicana's index.

2026 – Present

Founder and developer

A&A SMN — Andrés y Asociados, Custom Systems for Your Business · Culiacán, Sinaloa

- **Order and production control, point-of-sale and inventory system** for Qualité Uniform, in production under contract.
- Formal operation: client contract, invoicing and a three-person team with written rules.

November 2025 – December 2025

Deli Assistant | Costco · Culiacán Rosales

- Operation during peak season under quality, cleanliness and service standards.

December 2024 – February 2025

Cashier, Barista | Good Tea Ramen · Plaza Sendero Sinaloa

- Managed the register during high-demand shifts with accurate charges and closings with no discrepancies.

October 2019 – March 2020

Cashier, Waiter and Social Media Manager | Kitai Sushi · Sinaloa

- Three simultaneous roles in a high-demand environment: register, table service and order coordination.

COMMUNITY SERVICE

2023 – 2024

Archive Management and Administration Advisor | Secondary School — TecNM Culiacán

- Reorganization and digitization of the institutional archive system, **standardizing the complete process** of consultation and registration.
- **+30% effectiveness** in record searches · -20% document loss · Rated 100/100 with no findings.

PROJECTS

Diamech Project — IGE Advisor in a Mechatronics team

INNOVATEC TecNM — May 19, 2026

- **Sole IGE representative** in an interdisciplinary team. Feasibility analysis, project management and presentation before a jury.
- **Functional physical prototype**, KPI dashboards, website and Business Model Canvas in a 15-page executive document.

Savia — Health-sector e-commerce (own project)

6 months in development

- Online store in the health sector: architecture, catalog, commercial strategy and financial projection. Online payments live; Mercado Pago integration in progress.
